TITLE: State Approval of Teacher Education (SATE) for Chaminade University of Honolulu's Professional Education Unit and Teacher Education Programs

The Hawaii Teacher Standards Board approves the following recommendations of its State Approved Teacher Education (SATE) Unit and Program Review Teams for Chaminade University of Honolulu:

- The Chaminade Education Division Professional Education Unit is granted Full Approval with the following conditions, effective January 1, 2010 through December 31, 2016:
 - The Chaminade Education Division Professional Education Unit must develop a clearly articulated assessment system that regularly and systematically collects, analyzes and interprets data for the purpose of program improvement across all licensure programs.
 - The Chaminade Education Division Professional Education Unit must provide evidence that clearly identifies the specific proficiencies candidates should develop related to needs of students from culturally diverse populations; that the curriculum is designed to prepare teachers to work effectively with students from culturally diverse populations; and evidence of candidate proficiencies related to their ability to help students from culturally diverse populations learn.

- The Chaminade Education Division Professional Education Unit is granted Full Approval with Conditions status for the following teacher education programs, effective January 1, 2010 through December 31, 2016:
 - The Elementary Education Program is granted full approval with the following conditions to recommend teacher candidates for licensure in Elementary Education K-6:

By August 31, 2010, the Elementary Education Program must submit to the HTSB:

- Plans for a systemized approach describing how data will be gathered.
- By August 31, 2011, the Elementary Education Program must submit to the HTSB:
 - Disaggregated data that illustrates teacher candidate performance in each of the three programs: 4-year baccalaureate; Post-baccalaureate; Masters.
 - A revision of the Live-text tables in the PSSR, Attachment 2, pp.63-65 & 79-81, to identify the source of signature assignment data as some tables illustrated only one instructor's lesson plan data. A compilation of data with regard to signature assignments for all teacher candidates is required.
- The Special Education Program is granted full approval with the following conditions to recommend teacher candidates for licensure in Special Education Mild/Moderate K-12:
