Dear HTSB Board Members:

The College of Education, University of Hawai'i at Manoa, wishes to submit an application for approval of our Teacher Leader program for adding this field to an existing teaching license. I am writing to request a template for a Program Report for Adding A Field To A License: Teacher Leader. I have attached the SATE Intent Form.

The Teacher Leader program will be offered as an area of emphasis in both the Master of Education (MEd) in the Curriculum Studies (CS) and in the Educational Foundations (EDEF) programs. Candidates admitted to either master's program may elect to complete the Teacher Leader program as their emphasis.

Admission into the Teacher Leader program requires candidates to have a Bachelor of Education (BEEd) degree, or equivalent, and a minimum of two years of teaching experience. The Teacher Leader program coursework, which we will provide in the program report template, meets the Teacher Leader Model Standards (Teacher Leadership Exploratory Consortium).

Candidates who complete the program will demonstrate mastery of the Teacher Leader Model Standards through completion of assignments, and by completion of a Plan A Thesis or Plan B Paper/Project with a teacher leadership emphasis. Please contact me if I can provide further information at (808) 956-4278 or mpateman@hawaii.edu.

Sincerely yours,

Beth Pateman
