INTRODUCTION

In 2009, the Hawai'i Teacher Standards Board was at the most important juncture in its history. Following a scathing report by the State Auditor in March of 2009, the Board took stock and began a valiant march forward. It started an intensive self-study that has resulted in strengthened operations, revised policy, and an emerging renewal of confidence and trust from teachers and the public. The Board has made significant progress in achieving four main goals:

- Support rigorous, progressive teacher preparation and licensure standards and policies.
- Enhance efficient customer service with Aloha.
- Strengthen relationships with stakeholders.
- Develop operations which maximize staff effectiveness.

This Strategic Plan will be used to provide a framework to guide the Board committees and Executive Director to accomplish these goals between July 1, 2011 and June 30, 2015.

OVERVIEW

History of HTSB

Act 240 of the Eighteenth Legislature, State of Hawaii, established the Hawaii Teacher Standards Board in 1995. The Board originally consisted of nine members, including four licensed teachers, three educational officers, the chairperson of the Board of Education, and the Dean of the University Of Hawaii College Of Education. That membership has been expanded to include two additional teachers and two members of the public. The HTSB has full responsibility for establishing teacher, school counselor and school librarian licensing standards, and issuing licenses to education professionals who meet the criteria. The Board issues three tiers of licenses and two kinds of special permits. The Board approves Hawaii based state approved teacher, counselor and librarian education programs (SATEP); reports to the federal government on licensing and teacher education programs; and approves, validates and adopts licensure tests. The Board also participates in efforts related to teacher quality, including support for National Board for Professional Teaching Standards (NBPTS) candidates. In addition, the Board establishes penalties for teacher misconduct that may result in the suspension or revocation of a license.
