The Hawaii Teacher Standards Board approves the following criteria for an alternative route to licensure for the Career and Technical Education (CTE) license fields:

Licensees obtaining a Standard License in the CTE field must meet the following criteria:

- Minimum of an Associate degree;
- A minimum of 3 years of industry experience directly related to content area;
- 15 hours of pedagogy coursework from SATEP in the grade level of the license
or
12 hours of pedagogy coursework from a SATEP in the grade level of the license and passing score on the Principles of Learning and Teaching (PLT) in the grade level of the license;
- Meet one of the following content knowledge testing options:
 - Praxis in content field, if one exists; or
 - Current valid National Industry Certification in content area; or
 - Current valid industry license in content area;
 - 30 hours coursework in the license field;
- Meet Professional Fitness Requirement;
- Pass Basic Skills tests (PPST Reading, Writing and Mathematics);
- Pay fees.

Licensees obtaining a CTE license via this alternative route shall not be eligible to teach in other classroom assignments nor be eligible to add any other field outside of the CTE license fields to this license.
