

**TITLE: Policy on Reciprocity**

The Hawaii Teacher Standards Board approves the following policy on license reciprocity to facilitate the mobility of teachers holding an active license in one of the jurisdictions listed in the attached table from the NASDTEC Agreement effective 2010 and amended thereafter. This policy is based on a reciprocity study commissioned by the Board comparing licensure requirements in these jurisdictions and the requirements for licensure found in Hawaii Administrative Rules § 8-54-9 (a) (ii) (4):

(ii) A standard renewable license may be granted to an applicant for five (5) years provided that the individual has:

(4) (a) possesses a valid unrevoked teaching license from another state;

(b) completed a State-approved teacher education program;

(c) passed all licensing tests required by the State which issued the valid license being used to apply under this section. At a minimum, the tests must have tested for content knowledge.

For test(s) not taken, the applicant must comply with requirements set by the Board;

(d) obtained clearance in the professional fitness check; and

(e) pays license fees as established by the board.

Such teachers may be awarded a Hawaii Standard License by submitting the following:
