## **Why attend a Jump Start seminar?**

The first steps towards successful National Board Certification is understanding the requirements and planning how to integrate them into your upcoming school year. Jump Start seminars are designed to help candidates understand and be successful by providing important information about the certification process, time to examine the component requirements, the opportunity to plan how to meet requirements, and time to draft and get feedback on ideas for components- *all in a supportive, constructive, and collegial environment.*

## **Who should attend?**

Teachers who are committed to starting the candidacy process in the summer/fall of 2014. Jump Start participants should be registered candidates with the National Board for Professional Teaching Standards (NBPTS) before the start of the seminar.

## **How to register for Jump Start?**

Interested participants should email or call their designated contact person by June 16, 2014:
